IDENTITY

Who am I, really?

- What words would I use to describe who I am, apart from what I do?

- Which parts of my identity were given to me, and which have I chosen?

- Where do I most often perform for others instead of being myself?

PURPOSE

Why am I here?

- What problem or need do I feel most called to address?

- When do I feel most alive and most useful at the same time?

- If my life had a single sentence mission, what would it say?

POTENTIAL

What am I capable of?

- What ability or strength in me is still underdeveloped?

- What have I settled for that is smaller than what I'm capable of?

- What would I attempt if I trusted my ability to grow into it?

LEGACY

What will I leave behind?

- What do I want people to say about me when I'm not in the room?

- What am I building today that will outlast me?

- What is one thing I refuse to pass down to the next generation?
